- One semester (semesters 3 or 4) or Full academic year
- You must have completed at least 3 years (180 ECTS in Europe) of higher education in your university.
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 2A”)
- The 4 electives courses (Semester 4) will be chosen later during the academic year.

Admission to the 3rd-year (equivalent to Master’s 2nd year)

- You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 3A”)
- You have to choose 1 multidisciplinary field (so-called “domaine” in French) and 1 major (so-called “filière” in French). It is not possible to mix courses from different multidisciplinary fields. Nor it is allowed to mix courses from two or several majors.
- At the time of applying, you will be requested to select 3 fields and 3 majors (rank them by preference). The number of students per field (resp. major) is limited. The admission committee will decide which field and major you are allowed to perform or not.
- ** The internship (so-called the “End of Study Internship”) is scheduled at semester 6. If you want to spend the whole year (S5 and S6), you have to register for the DES Diploma [Diploma of Higher education]
