NON-DEGREE EXCHANGE

It is not possible to mix courses from different years (typically, your learning agreement can’t include courses from both the 2nd and 3rd year).

Admission to the 2nd-year (equivalent to Master’s 1st year)
- **One semester** (semesters 3 or 4) or **Full academic year**
- You must have completed at least 3 years (180 ECTS in Europe) of higher education in your university.
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 2A”)
- The 4 electives courses (Semester 4) will be chosen later during the academic year.

Admission to the 3rd-year (equivalent to Master’s 2nd year)
- **One semester** (semester 5) or **Full academic year**
- You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university.
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 3A”)
- You have to choose 1 **multidisciplinary field** (so-called “domaine” in French) and 1 **major** (so-called “filière” in French). It is not possible to mix courses from different multidisciplinary fields. Nor it is allowed to mix courses from two or several majors.
- At the time of applying, you will be requested to select **3 fields** and **3 majors** (rank them by preference). The number of students per field (resp. major) is limited. The admission committee will decide which field and major you are allowed to perform or not.
- ** The internship (so-called the “End of Study Internship”) is scheduled at semester 6. If you want to spend the whole year (S5 and S6), you have to register for the DES Diploma [Diploma of Higher education]

NEW

DES DIPLOMA

- Non degree exchange students can register for the **Diploma of Higher Education (DES Diploma)** proposed by ISAE-SUPAERO
- Dedicated to students from partner universities admitted to the ISAE-SUPAERO 3rd year engineering program (semesters 5 and 6)
- Not compatible with the Erasmus+ student status

Additional services offered to students registered to the DES Diploma:

- ✔ 3 or 4-week intensive language course in august
- ✔ Proofreading of your resume and other benefits from our Career center
- ✔ Possibility to register to additional trainings (attested by a certificate) scheduled in April and May of the relevant academic year
- ✔ Possibility to register to a research master taught in parallel to the 3rd year curriculum

2022/2023 Tuition fees: EU students: 2 800 € / Non-EU students: 4 800 €
